

CODEALPHA INTERNSHIP REPORT

Task 2: Business Growth Strategy Proposal for Swiggy Instamart

1. Business Objectives

1. Increase Swiggy Instamart's grocery delivery market share from 30% to 45% within one year.
2. Expand operations to 200 new Tier 2 and Tier 3 cities.
3. Reduce average delivery time to under 15 minutes by optimizing logistics and dark stores.

2. Marketing Mix (4Ps)

Product: Instant grocery delivery service providing fresh groceries, daily essentials, and household items.

Price: Competitive pricing with discounts, offers, and membership benefits for Swiggy One users.

Place: Operates through strategically located dark stores for efficient local delivery.

Promotion: Multi-channel campaigns including influencer marketing, festive offers, and push notifications.

3. Digital Marketing Channels

- Social Media (Instagram, YouTube, X/Twitter) ads and influencer tie-ups.
- SEO and Google Ads for high-conversion keywords like 'quick grocery delivery'.
- Referral and loyalty programs to increase user base.
- Email and push notification campaigns for promotions.

4. Short-Term & Long-Term Strategies

Short-Term Strategies:

- Offer discounts and cashback on first 3 grocery orders.
- Partner with local vendors for cost-effective sourcing.
- Use referral and influencer marketing for faster reach.

Long-Term Strategies:

- Expand to Tier 3 cities and rural markets.
- Introduce eco-friendly packaging and sustainability goals.
- AI-based personalization to recommend grocery baskets.
- Launch premium membership plans with free deliveries.

5. Expected Outcomes

1. Customer Retention: +20%
2. New User Acquisition: +30%
3. Monthly Orders: +40%
4. Delivery Time Reduction: 15% faster
5. Market Share Growth: 30% → 45%

6. Conclusion

Swiggy Instamart's business growth strategy leverages its strong technology base and market experience. By focusing on quick delivery, affordability, and customer loyalty, it can establish long-term dominance in India's quick-commerce segment. Continuous innovation and customer trust will be key to maintaining leadership.
